

TOILET & URINAL CLEANER

Advanced Urinal Maintainer & Descaler

Quickly Removes Rust, Lime, Scale & Build-up of Uric Acid Salts

- **CURATIVE**
- **PREVENTIVE**
- **POWERFUL**
- **LEAVES FIXTURES FRESH-SMELLING**

FEATURES AND BENEFITS

- Quickly Removes Rust, Lime, Scale and Build-up of Uric Acid Salts - Improves fixture appearance while making the flush flow more efficient and extends equipment life.
- Eliminates Odor-Causing Waste Build-up - Attacks the sources of odors instead of just covering them up with a mask.
- Just Pour, Let Stand, Then Flush Down the Drain - Simple to use, saving labor and time.
- Use for Both Emergency and Preventive Maintenance - Two products in one; cleans and prevents future build-up.
